A WORD FROM OUR MANAGING DIRECTOR

Dear reader,

A little over three years ago we launched the (NLBC, now) NFCC, a not-for-profit organisation in Paris. The launch, during Covid19 was observed from close and far. Today an operational team of three women with their diverse skills are building a community for about 100 Dutch companies in France.

Our commitment and ongoing support of the board and partners resulted in the creation of a steady network. Last week NFCC proudly re-signed a Memorandum of Understanding with the Embassy to the Kingdom of the Netherlands in France, solidifying our collaboration and support for female entrepreneurship and leadership.

Let's celebrate the remarkable contributions of female entrepreneurs this month while continuing to support all entrepreneurs. Together, we're fostering a more inclusive and diverse future for business in France.

FEMALE ENTREPRENEURSHIP DURING WOMEN'S MONTH

In celebrating Women's Month, the NFCC reaffirmed its commitment to female leadership as one of its core values, alongside sustainability and climate & energy. Recognising the importance of inclusivity, our male Board Members joined the **HeForShe** campaign, promoting gender equality.

We also hosted a successful Round Table discussing female entrepreneurship, spotlighting the unique challenges and triumphs entrepreneurial women face. Our esteemed speakers, including **Garance Pineau** from MEDEF and **Ambassador Jan Versteeg**, highlighted the crucial role of women in today's economy and emphasised the need for an inclusive policy environment. **Vanessa Heydorff**, Country Manager of France at Booking.com, and **Raphaella Nollet**, co-founder of Yacon & Co, shared valuable insights on the challenges faced by women in corporate landscapes and the dynamics of investor engagement with female-led enterprises, respectively.

Join us on April 18th for our last leg of Women's Month during our **Leading Ladies Walking Tour in Paris**, hosted with **Paris Promenade**, where we will honour the entrepreneurial women who shaped the city's history. All proceeds from the tour support a women's rights organisation. Tickets are available [via this link](#).

WHAT OUR MEMBERS SAY ABOUT US

JOB OPPORTUNITIES

Each month, we highlight career opportunities for the French market from our NFCC members.

This month, **workin.space** is looking for a **Business Developper Netherlands / Broker**. Working closely with the workin.space management team, you will be based in Paris, and will be involved in the start-up's development in the Netherlands, improving their network of partners, and providing the best possible advice to their customers.
